

Looking for a great dentist?

Hello, my name is Dr. Eugene Khoo and I've been practising in Mandurah for almost 15 years. I know that great dental care is important to you and your family. So, I thought I might tell you a little about what my team and I do, to make seeing the dentist a relaxed and enjoyable experience...

Here are nine reasons to call me now.

1. As painless as possible! I'd be lying if I said that you'll never feel a thing but, with my gentle approach and state-of-the-art equipment, lots of our patients tell me, "I didn't feel a thing."

2. Immediate attention: We have great hours to suit you and, when you've got a problem, we'll fix it. Just call us.

3. We save your teeth! Your teeth are important. We'll only remove a tooth when there are no other options to save it.

4. No Mercury. We won't put amalgam (silver/black) fillings in your teeth. Only white ones... porcelain, ceramic or resin.

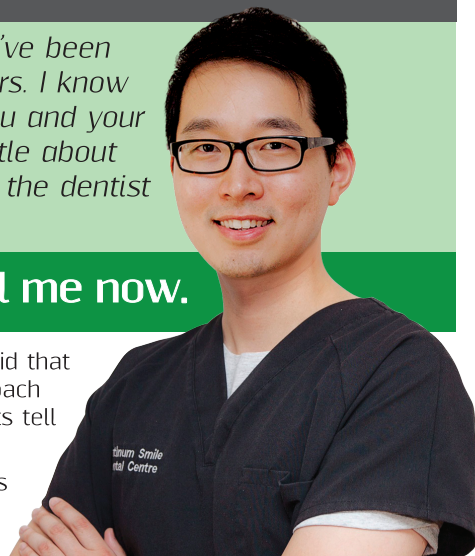

5. No waiting. Busy people have better things to do than waiting at the dentist. We will normally see you on time.

6. Look and feel great. We fix your teeth and show you how to care for them so you'll always look and feel great.

7. Dental hygienist. A dental professional who cares for your teeth and gums with extra gentle cleanings. We have one!

8. Value for money. We provide quality dental care that lasts and at a fair price. Credit cards are welcome.

9. Easy parking. Parking is easy outside our office at any time of the day.
